

# Finding Programs On Satellite TV

Make sure your remote is in SAT mode by pressing the **SAT Mode** button

## Three easy ways to find the program you want to watch

1. Use the **UP/DOWN ARROW** buttons to change the channel up or down one channel at a time

**OR**

2. Use the Number buttons to enter a channel number

**OR**

3. Use the **GUIDE** button to display the Program Guide

The Program Guide shows you current and future program listings.

**Then...**

Use the **ARROW** or **PAGE UP/DOWN** buttons to highlight a program and then press the **SELECT** button

**Note:** If you select a program that is not currently broadcasting, you will have the option to set up a timer.

Pressing the **GUIDE** button repeatedly will cycle through your Favorites Lists (see *User's Guide*).

**Tip:** You can skip ahead or back in the Program Guide several hours at one time. Enter the number of hours you want to skip using the Number buttons, then press the **RIGHT** (or **LEFT**) **ARROW** button to move forward (or back).

**Tip:** While viewing a program, press the **BROWSE** (**RIGHT ARROW**) button. Then press either the **UP** or **DOWN ARROW**. The information on other channels appear in the Browse Banner. Press **SELECT** to watch the program.

**Tip:** Press the **THEMES** (**LEFT ARROW**) button to bring up the Theme Categories menu which allows you to search for a program based on its content.
